

PUBLIC WORKS NEWS BRIEFS

The City is going to repave Goldenwest Street from Pacific Coast Hwy. to Yorktown Avenue with a two-inch rubberized asphalt concrete (RAC) surface which contains crumb rubber derived from scrap tires. The project is planned to divert more than 8,000 waste tires, that otherwise would end up in a landfill.

City of Huntington Beach Public Works Department CC-1433 Goldenwest Street Rehabilitation Project from Pacific Coast Hwy. to Yorktown Avenue

Funded by a Grant from:

CalRecycle
